STATISTICS AVAILABLE FROM ABS

Statistics covering almost every field of economic and social activity are collected and processed by ABS.

In what form are they available?

- as publications—the ABS produces over 1,600 monthly, quarterly and annual publications each year. A complete list of publications produced is contained in the *Catalogue of Publications, Australia* (1101.0) which is available free on request from any office of ABS.
- on magnetic tape, microfiche, computer printout, etc.—some statistics are available in these forms to meet the special needs of users.
- in unpublished form—for practical reasons the ABS does not publish all its available statistics. A wide range of statistics is available on request in unpublished form.
- VIATEL—key *656# for selected economic, social and demographic statistics.
- AUSSSTATS—thousands of up-to-date time series are available on this ABS on-line service through CSIRONET.
- TELESTATS—this service provides foreign trade statistics tailored to users' requirements.

How can these services be obtained?

- by visiting, phoning or writing to Information Services, Australian Bureau of Statistics in any capital city in Australia.
- a telephone inquiry service operates on these numbers.
